

Edwards & Hill
Office Furniture

*Quality Furnishings and
Outstanding Service for Any Space*

Company Overview

Edwards & Hill Office Furniture specializes in the sale and installation of office, school, lab, hospitality, hotel, healthcare, dormitory and command/control center furniture. We also provide interior design, moving, project management and warehousing services and sale/installation of audio/visual equipment. Edwards & Hill can also offer equipment and supplies for the healthcare and hospitality industries.

Edwards & Hill Office Furniture has been in business since 1998 and provides professional products and services to meet the specific needs of government, healthcare, education and commercial customers across the US.

Edwards & Hill's experience and successful past performance in providing these products and services is due to the extensive experience of its Managing Partner, Mr. Tony Hill, Partner, Mr. Hans Edwards, and their highly skilled staff. The two partners bring over 25 years of office space planning, interior design, relocation management and project management experience to the company.

Utilizing the diverse experience and expertise of the company, we can assure successful completion of all projects on time and under budget by providing creative solutions utilizing specially tailored products and services to meet our client's specific requirements.

We understand that our reputation is everything. We aren't satisfied until we deliver what was promised.
